On the appeal petition presented by the petitioner his Lordship has fixed the following issues on 11-12-96.

"The petitioner ought not to be entitled in this proceeding to the land claimed in the plaint for a declaration of title in the plaintiff and consequent recovery of possession. Whether the petitioner is entitled to maintain this proceeding. Costs and other reliefs prayed".

(36) The pet± claims as Inam 5 Survey nos (127-131) measuring in all 27-25 a assessed at Rs 54.

The pet± admits that the lands in Question were not recognised as Inam at the Inam Settlement and attributes the omission & the Mrs & absence of his father from the village at the time of the Inam settlement

But from the Inam supt's docket dt 19/9/99, it appears that at the Inam Settlement for 1868, a Statement was given by

the Archbishop of the Day
and that it is therefore
useless for the petrs who
is his successor in office
to refuse to be bound by
his predecessor's acts

(37) The only question therefore
is whether, as observed
by the Lord Councillor on the
petn, the petrs may
not be allowed to retain
the 5 shops on assessment,
as he has apparently
been in poss[n] thereof
for some years. The
Lord Comrs says that the plea
of long enjoyment is not
supported by documentary evidence
but the Shanbogh has deposed
that in 1895 the petrs
enjoyment was 12 years &
The Shanbogh's evidence

is perhaps worthless as
the unauthorized enjoyment
of the land as Inam was
undoubtedly due & his
Conveyance as well as
& the Conveyance of
the Shekdar.

The records show that the
Shekdar took more than
5 years & report on
a petn from the appli-
claiming the lands in
question as Inam; and
that no note has been
taken of this delay

(38) The Dy Comr reports that
out of the 5 Sns, 3 have
been Sold & have passed into
the Khatas of others since 1896-97
and that the sale of the 2 other Sns

Requires Confirmation

This letter delay could have been avoided had the Optometrist submitted his report earlier. As it is, he has taken 3½ years to submit his report.

grievance the Petr has in

In reply to the above the Court states that S. Nos. 127, 128 and 129, 130 & 131, called Mahadeva Devar lands, which were surreptitiously enjoyed by the archik of the Kasivisweswara Temple as Inam attached to that Temple were sold under the Sarkaval rules and the last three numbers were purchased & confirmed to the Petr in 1896-97. The other two numbers viz 127 and 128 were also purchased by D. Nemichandra & Pillamma respectively. But the sales were not confirmed as the matter was under correspondence since archik subbaiah appealed to Govt against the sale.

The lands have in accordance with Govt Proc. No. 423 P.T. 18-01 dated 24 Aug 01, been put in possession of archik subbaiah. Petr Pillamma applied to the Govt for confirmation
